For your **humanities presentation** on a comparison of Native American and European artistic traditions, do research on the Internet and in books to find examples of both. Use these tips:

- Consider visual art, music, and dance.
- Determine the historical influences on the cultures.

Present your analysis to the class, using examples of visual art to accompany your talk.

Research and Technology

Use the Internet and other sources to find out about the presence of Columbus in today's parks and public spaces. Enter your information in the graphic organizer below.
